I understand the following: 1. My regularly scheduled periodic payment will resume the month after I skip my payment and by skipping a payment I am lengthening the original term of my loan. 2. If my Skip-A-Pay request is received by the credit union after the payment I requested to skip has already been applied to my loan, that the credit union will skip my next qualifying payment(s) for me. 3. Interest will continue to accrue on my loan during the month that my payment is skipped. 4. If funds are not available in the account indicated, or if I have not included a check for payment, my loan payment will not be skipped and my payment will still need to be made by the due date to avoid a late fee. 5. Only eligible loans older than six months and in good standing qualify for the Summertime Skip-A-Pay. 6. Skipping my payment may result in a decrease in any benefits provided by GAP insurance or other loan protection products. 7. Pathways Financial Credit Union reserves the right to refuse a Holiday Skip-A-Pay request for any reason. Refer to the protection policy issued with your loan for specific details and exclusions.
