

ONLINE BANKING ACCESS

**Please note this must be done within 7 days of account opening, otherwise you will need to contact us to reset the password.*

1. Visit www.pathwayscu.com.
2. In the upper right-hand corner, click “**Access Online Banking.**”
3. Then click “**First-time User?**”
4. Enter your Account Number and your Social Security Number
(If this is a business account, enter the business’ TIN.)
5. Select either text or email to receive a Secure Authentication Code. Enter your Secure Authentication Code upon receipt.
6. Create your password. It must be at least 6 characters long (including letters and numbers), and you can use up to 256 characters. Please remember **your password is case sensitive.**
7. Review the terms and conditions of your online banking account.
8. Set-up your security questions. Select three (3) questions that are easy for you to remember. These questions will be randomly selected and you will be required to provide an answer to one of them **each time** you log in. **Your security questions are case sensitive.**
9. By default, your Username is your Account Number. **We strongly encourage you to change your username to something less sensitive after logging in. You can do this through “My Preferences” located in the “Info Center” tab.**

Once you have gone through these steps you will be able to see and manage your accounts online, pay bills, enroll in e-statements, and more!

For account access on the-go, the Pathways mobile application is available for download in the App Store and Google Play.
